Genuine Original Equipment Manufacturer Minimum Advertisement Pricing Policies

HodesCo is required by some of our direct vendor relationships to maintain minimum advertised pricing on some of their products. Although our own pricing policy goal is to set our own guaranteed prices for the six month catalog term, we are required by some of our direct vendor partners to maintain and update their minimum advertised product pricing on our website and customer invoices from time to time.

For this reason, we retain the right to comply with their requirements by updating their product pricing during the term of our paper catalog. We apologize for any inconvenience this may create for our valued customers.

WE ACCEPT ALL MAJOR CREDIT CARDS

All open credit invoices are net and due for payment 30 days from invoice date. Future orders will be held if payment is past due and a 2% per month (24% per annum) service charge will be collected on all past due balances.

Out of Stock Policy

If we do not ship your order complete, we will notify you of this and ship your backorder of \$25 or more within 30 days or let you know of any exceptions. As of this catalog printing, 100% of all items shown are available for shipment. However, we reserve, during the "life" of this catalog, the right to consider any order complete when items are no longer in enough demand to be worthy of manufacturing due to cost-prohibitive minimums. Unless we are notified otherwise, we consider all items coded "C" on the packing list and invoice, to be complete.

Please visit www.HodesCo.com for thousands of low demand products currently in our inventory but no longer shown in our catalog in our effort to save some trees.

Special Order Returns

A minimum 25% restocking fee is charged on all special order returns. Non-catalog merchandise will reflect return fees charged to us by our vendor and may exceed 25%. In many cases special order items are non-returnable.

Damage / Shortage Claims

Please be sure to count the cartons you sign for and note any damage on the Bill of Lading. Open your order immediately to check for any concealed damage. If damaged, the original carton should be kept for possible carrier inspection. Shortage or damage claims need to be reported within 5 days of delivery. To process a claim, we need your invoice number or customer number. Once we ship an order it's consigned to the carrier. Please note: THEY are responsible for any shortage or damage incurred — until you sign a clear bill of receipt. Usually, carriers will not honor a claim if they have a signed receipt from you.

Hassle-Free Returns

Our return policy is simple and hassle-free. Call customer service at 1-800-777-6500 or e-mail us at CustServ@HodesCo.com with

the original invoice number and the items you need to return. That's all. We'll arrange for the pickup if the return is due to our error. Please include a copy of the Return Materials Authorization (RMA) with the items and your credit memo will be processed immediately. A minimum 25% restocking fee will be charged unless return is due to our error. Common Sense Credit.

Generic Part Information

The term "Generic" is used for products that are replacements for original equipment manufacturers products. The generic parts are not made by the original equipment manufacturer but are replacements that are made by other companies. References to brand names and numbers are for identification purposes only and are not intended to imply that items are made by the original equipment manufacturer.

Product Selection

All products are continually sourced by Hodes Co to provide you with the best possible products at the lowest possible cost. When comparing similar items, identify item differences by the compare arrows  indicator. It is our policy to provide consistent quality material every time you order. We will identify different levels of value with separate product numbers to ensure your expectations are met. It is our goal to become your complete source of plumbing goods. There can be no ECONOMY without QUALITY, for if there is no QUALITY there is no ECONOMY.

Our catalog is constantly updated every issue. If you are an active purchaser, you will automatically receive a new catalog. Free catalogs are available by calling us at 1-800-777-6500, or at www.hodesco.com.

Duplicate Catalogs

If you receive more than one catalog please help us save waste and distribute it to someone who will put it to some use. Thank you!

Repair Parts Schematic Breakdowns

Exploded views of the most popular lavatory and kitchen faucets, shower valves and flush valves provide an invaluable reference tool. Items we stock are identified with our part number and can be referenced on our website www.hodesco.com and in the customized retail catalog.

Catalog Recycling

We are committed to keeping our environment healthy. Please help support this commitment by recycling all out-dated catalogs.

Uh...Oh Catalog Errors

We strive to provide a completely error free catalog, but if errors are discovered, they are corrected in our computer immediately. Please note that current computer pricing supercedes printed catalog pricing.
