INVENTORY CONTROL SOLUTIONS

Step 1. (You) *Contact us and specify,* **"Yes to Free Bin labels!"**
Step 2. (Us) *We will print and send you full color bin labels for every item you've ordered from us within the last 12 months. The labels will have your logo, product photograph and barcode.*

Result:
- **Find parts faster.**
- **Prevent future overstocking.**
- **Receive and put away parts more efficiently.**
- **Reduce wasted time calling or driving around for needed parts.**

You can also click on our "Buck-A-Box™" program at the bottom of our home page (www.Hodesco.com). Based on your product quantity, we will determine the most efficient bin box size and send you the bin labels and bin boxes for $1 each.

We take great pride in serving you, the professional plumbing contractors of America, since 1943... who help keep our communities, families and homes safe, healthy and efficient.

Sincerely,
H. Joe Hodes

Item #	Description	Price 1	Price 2
44-262	SS Mini Thermal Expansion Tank	24.94	21.95

DISCLAIMER:

This expansion tank and the associated piping will in time leak. This tank must be installed in a location that allows for easy access, visual inspection and where water leakage will not cause property damage. Installation must include a means for adequate drainage. This tank must not be installed in a location that is subject to freezing. The manufacturer of this product is not liable or responsible for any water damage associated with the installation and/or failure of this product. The manufacturer of this tank does not accept any liability or other responsibility for personal injury or property damage resulting from improper use, installation or operation of this tank or the system of which it is a part of.

HODESCO™ THERMAL EXPANSION TANK

PRODUCT FEATURES:

- Designed to prevent dangerous build-ups of pressure in your water heater tank.
- Strapping or bracing must be used when tank is installed in the horizontal position. This will allow support of the tank when filled with water.

CONSTRUCTION:

- Pre-charged at 40 PSI
- 304 Stainless steel fittings
- Butyl rubber diaphragm

CERTIFICATIONS:

- IAMPO Listed
- Complies with NSF-61&NSF-372

DISCLAIMER:

This expansion tank and the associated piping will in time leak. This tank must be installed in a location that allows for easy access, visual inspection and where water leakage will not cause property damage. Installation must include a means for adequate drainage. This tank must not be installed in a location that is subject to freezing. The manufacturer of this product is not liable or responsible for any water damage associated with the installation and/or failure of this product. The manufacturer of this tank does not accept any liability or other responsibility for personal injury or property damage resulting from improper use, installation or operation of this tank or the system of which it is a part of.

HODESCO™

HYDRONIC EXPANSION TANK

PRODUCT FEATURES:

- For use in closed, non-potable, hydronic heating and chilled water systems
- Accepts expanded water as system temperature rises to reduce pressure build-up
- Helps reduce energy consumption and system maintenance
- For hydronic heating applications only (not for potable water)
- Carbon steel shell
- Stainless steel connection system
- Heavy duty butyl rubber
- IAMPO listed

PRESSURE RATINGS

- Operating Pressure - 125 psi max for fuel gas applications; 200 psa max for other approved applications
- Test Pressure - 600 psi max

APPROVED SYSTEMS:

- Natural Gas (up to 125 PSI)
- Propane (up to 125 PSI)
- Mineral Oil (up to 200 PSI)
- Compressed Air (up to 200 PSI)
- Nitrogen (up to 200 PSI)
- Heating Fuel Oil (up to 125 PSI)

COMPLIES WITH:

- Uniform Mechanical Code (UMC)
- Uniform Plumbing Code (UPC)
- NFPA 54 and 58
- International Mechanical Code (IMC)
- International Plumbing Code (IPC)
- International Fuel Gas Code (IFGC)
- ASME B31: Code for Pressure Piping

TEMP RATINGS

- -40 F to 180 F for fuel gas applications

CERTIFICATIONS

- CSA: ANSI LC 4a/CSA 6.32a
- IAPMO: ANSI LC 4a/CSA 6.32a

HODESCO™ 50 YEAR WARRANTY

100% QUALITY TESTED STAINLESS STEEL NON SLIP CRIMP RING

HODESCO PEX STAINLESS STEEL NON-SLIP PEX CLAMPS ARE PERFECT FOR SMALL-DIAMETER PEX PLUMBING INSTALLATIONS. THESE STAINLESS-STEEL PEX CLAMPS FEATURE A NON-SLIP EDGE TO HELP KEEP THE PEX CLAMP IN PLACE DURING POSITIONING AND CRIMPING.

- Made from stainless steel 304
- Meets ASTM F2098 standard and is NSF/ANSI 14 compliant
- Can be secured on PEX or PERT pipe that allows ASTM F2098 fitting systems along with ASTM F1807 brass or ASTM F2159 polymer crimp fittings
- Every clamp is quality tested
- Non-slip edge prevents clamp from sliding
- Available in both bag and jar packaging options

HODESCO™ STAINLESS STEEL PEX CRIMP SLEEVE

50 YEAR WARRANTY

HodesCo PEX stainless steel crimp sleeve is simple to install and is designed for use with PEX pipe and barb fittings in potable water and radiant heating systems. Stainless steel crimp sleeves provide the utmost in corrosion-resistance and reliability as related to other PEX connection methods. The sleeve features a positive stop and visual locator port to ensure proper placement on the pipe.

HODESCO™

CLAMP TWIN TALON 1/2" OR 3/4" PIPE

HodesCo twin talon clamps securely hold pipes and tubing in place. Durable plastic construction provides reliable support, while the integrated nail allows for quick and easy installation. Ideal for plumbing and general pipe-support applications.

NEW

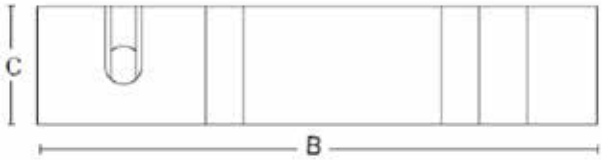

70-829

- Each clamp fits 1/2" & 3/4" size of pipe
- Fits CTS copper, CPVC and PEX tubing
- Impact resistant to 0°F (-18°C) Max Temp: 160°F continuous
- Combination Half Clamps include: Preloaded nail that reduces installation time & angled seat for additional stability with larger pipe sizes
- Job costs are reduced through reduced inventory
- Available in both jar and bag packaging options
